

CurrencyXchanger

Professional Solution for your Money Service Business

CurrencyXchanger (CXR) is a professional solution for automating a Money Service Business (MSB).

CXR comes in 3 standard editions: POS, Business, and Pro. We offer free consulting to suggest the best solution for your business or customize the engine to exactly fit your needs.

CXR has a long list of features including:

- ✓ Integrated CRM
- ✓ Integrated double-entry accounting
- ✓ AML compliant record-keeping (KYC, EDD)
- ✓ live Inventory tracking
- ✓ customer screening against 9 sanction lists
- ✓ automatic rate updates
- ✓ Integration with rate board
- ✓ auto-publish rates to your website
- ✓ cheque management module
- ✓ TT Wire module
- ✓ eWire money transfer & remittance module
- ✓ IBAN & SWIFT Validation
- ✓ eWire Money Remittance technology
- ✓ plus 200 other features...

"You have the best MSB software I have ever seen."

*H. G., Financial Compliance Examiner .
Department. of Banking, TX, USA*
